

Consumer Healthcare
Products Australia

WE PROMOTE AND DEVELOP THE AUSTRALIAN CONSUMER HEALTHCARE PRODUCTS INDUSTRY

Our members are manufacturers and distributors of consumer healthcare products, which includes non-prescription medicines.

CHP Australia also represents businesses that support the industry. This includes, for example, advertising/marketing agencies and PR firms as well as legal, HR, training, statistical, regulatory and related consulting companies and individuals.

OUR VISION

Consumers have the information and products to practice Self Care with confidence.

OUR MISSION

To enhance the health and well-being of Australians through access to proven healthcare products.

Who should join?

Associate Members are companies or individuals that supply goods or services to the non-prescription consumer healthcare products industry. This includes, for example, advertising/marketing agencies and PR firms as well as legal, HR, training, statistical, regulatory and related consulting companies and individuals.

Associates are not voting members, but enjoy all other benefits of CHP Australia membership. Ordinary Members are sponsors that have AUST R or AUST L products listed on the TGA's ARTG.
